Please help me raise funds by sponsoring me in the 2012 Strike a Difference for FUSE Bowl-A-Thon to help improve the lives of children with special needs and their families.

All proceeds from the bowl-a-thon benefit FUSE, an organization that assists families through education and training, public awareness, advocacy, support, resources and referrals, networking, and community activities in East Central Indiana. FUSE services include monthly support meetings, training, child care, newsletters, family activities, media and equipment library, and an adaptive swim program. FUSE gives families information and resources that they need, when they need it, to help make the job of raising a child with disabilities just a little easier.

I will be bowling 2 games. Please support my effort by sponsoring each game for a suggested minimum donation of \$5.00 per game. Checks should be made payable to FUSE. All contributions are tax-deductible. On behalf of the children and families of FUSE, I thank you for your support!
