FUSE

Social Skills Group Summer 2016
(Application Deadline June 2)

FUSE is pleased to offer a social skills development group this summer to students ages 11-15. Social Skills groups are designed for students who need help learning how to make friends, initiate/ maintain conversation, participate in group activities, compromise, and win/lose when playing games. Weekly lessons will use a combination of formal and informal activities in a small group atmosphere. Sessions include leader-directed instruction with hands-on practical exercises that may include video modeling, skits, crafts, group games, the iPad, and a simple snack for skill reinforcement. Unstructured conversation also allows students to practice skills without adult interaction but with instant feedback from the leader.

Sessions will be on Thursday evenings from June 9 through July 14 from 6:30-8:00pm. Sessions will meet at the New Palestine Community Room in Town Hall, located at 42 E Main St, New Palestine. Registration fee is $60.00, payable in advance or at the first session. Limited scholarships are available for those with financial need.

Space in this program is limited to 10 students. This program is not limited to any particular diagnosis, but students do need to have verbal communication skills. Applications will be reviewed as they are received, and parents will be notified if their child has been enrolled within a week of application.

FUSE reserves the right to select applications that will create the most effective grouping possible. Late applications accepted only if space is still available. For questions, call Denise Arland at 317-462-9064 or email darland@fuseinc.org.
